

DEPARTMENT OF DEFENSE
OFFICE OF GENERAL COUNSEL
Washington, D.C. 20301

November 17, 1964

Honorable Kermit Gordon
Director, Bureau of the Budget
Washington, D. C. 20503

Dear Mr. Gordon:

Reference is made to Secretary Vance's letter dated November 5, 1964, which itemized the Department of Defense Legislative Program for the 89th Congress.

Included in the listing was DOD 89-12 (88-23), "Foreign Contracts, Exemption from the Examination of Records Clause."

The proposal was cleared for transmittal to the 88th Congress by letter dated January 29, 1963. We have been advised by the Comptroller General that his office has no objection to the proposed legislation.

Advice is requested as to the relationship of the attached proposal to the Program of the President.

Sincerely yours,

Frank J. Sherlock
